I find on Page 14  
Vol. XI of Am. Jour. of Numis. A Cata-  
logue of Centennial Medals commencing  
at No. 36, as continued from Vol. X, p. 62.  
The List is marked to be continued,  
but does not appear again in the Vol.  
I purchased from you yesterday.

Will you please ascertain for me when  
this List commenced and ended, and  
also let me know whether you can fur-  
nish the whole of it, of course excepting  
what I have already in Vol. XI.

Yours &c
